

“Another name for Texas....”

Established 1880

Dear Friends:

It's that time of year again to consider consigning to the Louie Schreiner 23rd Annual Fall Exotic Game Sale on September 30th and October 1st, 2011.

I have enclosed specific consignment guidelines that are intended to protect the quality, integrity and reputation of the Sale.

This year's Sale will consist of approximately 40 Y.O. lots with the remaining lots being guest consignments. Please join us by consigning your top quality exotic animals.

The consignment fee is \$100 per lot plus a commission of 10% of the final sales price. **(Please note that if the consignor decides to PO their lot there will be an additional \$200 P.O. Fee in place of the 10% commission.)** To ensure a successful Sale, we have placed limits on the number of animals in certain species that can be consigned.

Therefore, to reserve space for your consignments in the Sale and the Sale Catalog, it is imperative that the completed consignment forms are received in my office **no later than September 1, 2011**. Consignors will get 2 free gate admissions. You may pick up your passes from the Sale Barn once you drop off your consignments. Please hang on to them and bring them with you the day of the Sale. When completing your consignment forms, please be specific on your descriptions and comments.

We would like to showcase your ranch in our catalog. Good photographs will greatly enhance your lot description and will help us obtain the maximum price. Please include your *email address* and *website address* with a brief description about you and your operation (75 words maximum).

On Friday, September 30th, the Y.O. Ranch will once again host The “Game Ranching Seminar” featuring a panel of the exotic industry's experts. There will be a \$95 fee and the seminar will begin at 9 AM in the Y.O. Lodge. If you plan on attending the seminar, please RSVP to me as soon as possible with your \$50.00 deposit. You may contact me at the number below and/or email address.

Preview of the sale animals will begin Saturday at 8:00 AM.

Sincerely,

Charles Schreiner, IV
